

COVID-19 SCAM ALERT – Text Message re self-isolation

Please be aware of a scam relating to #Covid19 which involves people receiving a text message and recommending self-isolation and asking the person to click on a link.

THIS IS A SCAM. Delete the text and **don't** follow the link. For all information on Covid19, follow the Government guidelines on www.gov.ie or www.HSE.ie.

N.B. A member of the public health team may phone you and ask about people you have been in contact with. This is called contact tracing. Your GP can also advise you further.
